

## MAIN ASSEMBLY

| Part # | Description                                            | Part # | Description                   |
|--------|--------------------------------------------------------|--------|-------------------------------|
| 1      | 910-142 Thermodisc                                     | 10     | 438-917 Fan Assembly          |
| 2      | 904-434 Orifice #47 NG                                 | •      | 910-331/P Fan Motor Only      |
| •      | 904-241 Orifice #56 LP                                 | •      | 911-030 Fan Control Module    |
| 3      | 911-084 885 Proflame Valve NG                          | 12     | 438-529 Mesh Guard            |
| •      | 911-085 885 Proflame Valve LP                          | 13     | 433-538 Door Assembly         |
| 4      | 438-578/P Valve Assembly NG                            | 14     | 438-512 Clean Front Face      |
| •      | 438-780/P Valve Assembly LP                            | •      | ** Not a replacement part     |
| 5      | 437-012 Bracket                                        | •      | 911-276 Pilot Assembly - NG   |
| 6      | 437-525 Burner Assembly                                | •      | 911-277 Pilot Assembly - LP   |
| 7      | 437-015 Glass Tray Assembly                            | •      | 920-041 Manual                |
| 8      | 437-004 Pilot Cover                                    | •      | 911-037 Flame Sensor          |
| •      | 911-265 Digital Fireplace control                      | •      | 911-038 Spark Electrode       |
| •      | 911-013 Valve Wiring Harness                           | •      | 910-432 Pilot Tube With Nuts  |
| •      | 911-032 Remote Wiring Harness                          | •      | 911-039 Pilot Hood            |
| 9      | 910-010 Stepper Motor/ Modulator NG                    | •      | 910-036 Pilot Orifice NG      |
| 9      | 910-011 Stepper Motor/ Modulator LP                    | •      | 910-037 Pilot Orifice LP      |
| *      | 911-228/P Remote Receiver                              | •      | 911-137 Pilot Clip            |
| 11     | 940-088/P Replacement Glass with Gasket                | •      | 437-018 Access Plate          |
|        | 936-155 Glass Gasket (sold per foot) - 8 Feet required | •      | W840470 Pilot Assembly Gasket |
|        | 904-691 Glass U Clip (each)                            |        |                               |

parts list

ACCESSORIES

| Part #  | Description                           |
|---------|---------------------------------------|
| 434-908 | Enamel Panel Set                      |
| 437-954 | Faceplate Black                       |
| 437-957 | Faceplate Brushed Stainless           |
| 437-952 | Faceplate Sunset Bronze               |
| 437-971 | Verona Glass Surround Pure Black      |
| 437-975 | Verona Glass Surround Chocolate Brown |

1 Pound bag of firebeads

| Part #  | Description              |
|---------|--------------------------|
| 946-735 | Black Firebeads          |
| 946-736 | Sangria Luster Firebeads |
| 946-737 | Glacier Ice Firebeads    |
| 946-738 | Caramel Luster Firebeads |

5 Pound Bag of Firebeads

|         |                          |
|---------|--------------------------|
| 946-739 | Black Firebeads          |
| 946-740 | Sangria Luster Firebeads |
| 946-741 | Glacier ice firebeads    |
| 946-742 | Caramel Luster Firebeads |

| Part #                               | Description                |
|--------------------------------------|----------------------------|
| <b>1 pound bag of glass crystals</b> |                            |
