

## MAIN ASSEMBLY

| Part #     | Description                   | Part #      | Description                 |
|------------|-------------------------------|-------------|-----------------------------|
| 1 396-035  | Door Frame                    | 31 904-943  | Orifice mount               |
| 2 936-159  | Window Gasket                 | 32          | Air Shutter Assy            |
| 3 396-112  | Window Gasket Retainer        | 396-032     | Air Shutter                 |
| 4 396-045  | Burner Mounting Bracket Right | 396-033     | Burner Mounting Bracket     |
| 5 396-111  | Burner End Right              | 396-116     | Orifice Mounting Gasket     |
| 6 396-023  | Control Cover                 | 34 396-513  | Bottom Door Latch Assy      |
| 7 911-078  | Pilot Assembly NG Sit         | 35 904-946  | NG orifice #37              |
| 911-079    | Pilot Assembly LP Sit         | 904-947     | LP orifice #53              |
| 8 396-111  | Burner End Right              | 36 396-125  | Pilot Shield                |
| 9 396-010  | Exhaust Baffle                | 37 396-046  | Burner Mounting Bracket - L |
| 10 396-101 | Light Cover                   | 38 396-113  | Pilot Line Cover            |
| 11 396-024 | Slide Reinforcement           | 39 904-691  | Glass Clip Retainer         |
| 12 396-042 | Slide Tool                    | 40 396-039  | Door Tool                   |
| 13 396-514 | Flue Connector Plate Assy     | 46 911-013  | Proflame Wire Harness       |
| 14 396-018 | Flue Connector Plate Gasket   |             |                             |
| 15 393-030 | Bulkhead Clamp                | 49 396-969  | LP Conversion Kit           |
| 16 396-029 | Bulkhead Clamp Gasket         | 50 396-930  | Ceramic Log Kit (6 pc)      |
| 17 904-658 | Gas supply line               | 51 396-530  | Ceramic Burner              |
| 18 904-165 | Connector 3/8"MPT - 3/8"Flare | 52 396-901  | Brick Panels - Brown        |
| 19 396-028 | Valve Mounting Bracket - R    | 396-902     | Brick Panels - Red          |
| 20 911-084 | Valve NG 885                  | 53 396-908  | Enamel Panels               |
| 911-085    | Valve LP 885                  | 54 396-525  | Glass Burner Assy           |
| 22 396-023 | Control Cover                 | 56 396-917  | Fan Kit Manual              |
| 24 904-944 | 90° elbow 3/8"MPT-3/8"Flare   | 58 N/A      | Light Kit                   |
| 25 396-034 | Valve mounting bracket - L    | 61 Various  | Glass Crystals              |
| 26 911-074 | Ignition board SIT IPI        | 62 396-094  | Glass Tray                  |
| 27 910-572 | SIT Proflame receiver         | 63 396-091  | Pilot Cover                 |
| 28 911-074 | Pilot Assy Ground Wire        | 64 396-122  | Burner Screen               |
| 29 396-043 | Firebox Liner Retainers       | 65 904-790  | Magnets                     |
| 30 396-114 | Burner End - L                | 66 918-982  | Manual                      |
|            |                               | * Not Shown |                             |
|            |                               | * 911-071/P | Fan Motor Only              |
|            |                               | * 910-142   | Fan Thermodisc              |
|            |                               | * 911-030   | Fan Control Module          |

## LOW PROFILE FACEPLATE

|    | Part #  | Description                       |
|----|---------|-----------------------------------|
| 41 | 396-103 | 3 sided low profile backing plate |
| 42 | 396-102 | 3 sided low profile front face    |
| 43 | 396-130 | 4 sided low profile backing plate |
| 44 | 396-129 | 4 sided low profile front face    |
| 45 | 396-127 | Low profile bottom cover          |
